Don't get us wrong, teaching is very demanding and difficult work. But if you love it, it's a career that rewards devotion. New statistics indicate that less teachers are leaving their jobs—83 percent stay after five years—and an Urban Institute survey found that workers in their 60s and beyond found teaching one of the most personally enjoyable professions. The 1990s (pronounced "nineteen-nineties" and abbreviated as the nineties) was a decade of the Gregorian calendar that began on January 1, 1990, and ended on December 31, 1999. R98, wow, Kate Hudson looks better with her original nose! When I was in HS, the girls who got nose jobs (at age 17) all had huge bumps in their nose. MARCH 8 9/8c Trailblazer Honors.
