Eventually I plan to write a book called Talesman's Atlas of World History., which will include hundreds of maps showing world history and World History Maps that show the borders of civilizations and locations of tribes, from prehistoric times to the present, approximately every 50 to 100 years. As you can imagine this is an enormous project!World History Online navigates through 3 000 years of world history, world timelines of civilizations (plus maps), people and world events.World history or global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...World History for Us All is a powerful, innovative model curriculum for teaching world history in middle and high schools.
