Please log-in to add items to the basket. BUSINESS WITH CONFIDENCE. Copyright 2019 © ICAEWAs you progress through the ACA, you will log the number of days in the practical work experience tab of your online training file. You are required to add the number of days during or after your six-monthly review.ACA Exam – Associate Chartered Accountant Guide – No one likes to be stuck in one place forever. Desire spirals the way to succeed and the easiest shortcut to achieve professional success are working hard and taking relevant professional courses to boost your career prospects.Simplifying the Study Manuals. The more questions you can actively practise, the more you will learn. Answering questions and getting them wrong is one of the best ways of learning and we strongly believe that this is a better method than traditional reading or note-taking.
