

# Download Aig Story Maurice R Greenberg

At the same time, he AIG Story is a fascinating account of the world's rough ride toward globalization and the triumph of free and open markets over communism, nationalism, protectionism, and isolationism, and the significant role Greenberg and AIG played in that victory. Maurice Raymond "Hank" Greenberg (born May 4, 1925) is an American business executive and former chairman and CEO of American International Group (AIG), which was the world's 18th largest public company and the largest insurance and financial services corporation in history. It was most interesting to listen to "The AIG Story" from Mr. Greenberg's point of view and how he formed the group and hired his employee with a handshake, and the drama of getting him outcasted in his own firm. Maurice R. Greenberg shares how the GI Bill was instrumental in his life and career. As the Chairman and CEO of American Internal Group (AIG), Mr. Greenberg led AIG to become the world's largest ..., Aig Story Maurice R Greenberg.
