

Download An Introduction To Social Anthropology

Social anthropology is the dominant constituent of anthropology throughout the United Kingdom and Commonwealth and much of Europe (France in particular), where it is distinguished from cultural anthropology. In the United States, social anthropology is commonly subsumed within cultural anthropology (or under the relatively new designation of sociocultural anthropology). Engage with the world through a highly regarded degree in BA Social Anthropology from SOAS, specialists in the study of Asia, Africa and the Middle East. Social science is a category of academic disciplines, concerned with society and the relationships among individuals within a society. Social science as a whole has many branches. These social sciences include, but are not limited to: anthropology, archaeology, communication studies, economics, history, human geography, jurisprudence, linguistics, political science, psychology, public health ... Anthropology Courses at Ashford University. Humanity is defined by the cultural systems that have shaped its past. These courses, the core of Ashford University's Bachelor of Arts in Cultural Anthropology program, will examine how cultural behaviors, belief systems, gender, language, and other factors have transformed societies throughout the ages.
