Simple Willderness 7,917,868 viewsI have glanced thru and read most of this book. It has a multitude of images to support the discussion of subluxations of the spine and pelvis. Even though I am not in the field professionally I found it concise and allowed me an understanding of how my spine has developed the conditions I now deal with daily. It has shown me a road map out of this condition and how to manage my back in the future to avoid more severe subluxations., Atlas Of Common Subluxations Of The Human Spine And Pelvis.
