

Download Autism All Stars How We Use Our Autism And Asperger

Founded by leading expert Dr. Gordon L. Day, Seven Stars is for teenagers struggling with Autism Spectrum Disorder, learning issues, neurodevelopmental disorders and executive function deficits (ADHD). Here are some of my favorite quotes about autism and aspergers from some favorite people - Temple Grandin, Stephen Shore, Elaine Hall, Rudy Simone, John Elder Robison, Lori Shayew, Mr. Spock and more. This list of quotes keeps getting bigger. Autism is a developmental disorder characterized by difficulties with social interaction and communication, and by restricted and repetitive behavior. Parents usually notice signs during the first three years of their child's life. I dislike the use of any graphic symbol for autism or Asperger's (which is not on the Autism Spectrum.) "Spectrum" is a way for lazy psychologists to avoid real diagnosis and description of the many conditions lumped together on the "spectrum.", Autism All Stars How We Use Our Autism And Asperger.
