

# Download Bridges To Retirement : Older Workers In A Changing Labor Market

Employers often cite the skills gap, or talent shortage, when explaining their challenges with filling positions. Rather than enduring frustration with the current workforce supply-and-demand model, employers and educational institutions that tackle the skills gap can forge mutually beneficial partnerships. Preliminary versions of economic research. The Euro Crisis in the Mirror of the EMS: How Tying Odysseus to the Mast Avoided the Sirens but Led Him to Charybdis This article uses data from the Current Population Survey to examine the state of the U.S. labor market 10 years after the start of the Great Recession of 2007–09. By December 2017, unemployment rates had returned to prerecession lows for people of all ages, genders, major race and ethnicity ... The pensions crisis or pensions timebomb is the predicted difficulty in paying for corporate or government employment retirement pensions in various countries, due to a difference between pension obligations and the resources set aside to fund them. Shifting demographics are causing a lower ratio of workers per retiree; contributing factors include retirees living longer (increasing the ...
