10 Famous Works of Art That Are Forever Damaged. The most impressive works of art often took months or even years to complete. Artists pour their knowledge, creativity and emotions into their projects. Their finished products are filled with meaning and thus personal importance, the value of which cannot be appropriately measured, at least until they sell to the highest bidder.

The Master of Business Administration (MBA or M.B.A.) degree originated in the United States in the early 20th century when the country industrialized and companies sought scientific approaches to management. The core courses in an MBA program cover various areas of business such as accounting, applied statistics, business communication, business ethics, business law, finance, managerial ...
