Hey there fellow story writers, I'm Raptorcloak. Some of you might already know me as the former unregistered reviewer Raptorclaw, who reviews stories here. Jaune Arc has lived a quite normal life, sans his parents splitting up when he was 10. Regardless, he wants to be a Huntsman, a hero like his father! For the longest time, I deified parents—mostly because mine are just about the most important things in my life. Yes, I said “things” because my parents are not only two of the most important people in my life, but two of the things in life I'm willing to die for. A mental health history including asylum and community care periods, with links to Andrew Roberts' book on the Lunacy Commission and other mental health writings, and the asylums index and word history., Complete Idiots Guide Caring Parents.
