Manly strongly recommends putting your time and effort into your most important relationships now. "Stop thinking that you'll give your partner better TLC 'later' or 'when life slows down,'" she explains. The cash envelope system can transform your financial life...if you let it. But I'm betting every bone in your body is telling you that this cash-based budgeting and spending system just won't work for you. It's true! Making your bed every morning improves your life! I used to be one of those busy people that didn't take time to make my bed. I was scattered in every direction. Your daily habits define who you are. You are practically what you do. In the words of Winston Churchill: "Success is not final, failure is not fatal -- it is the courage to continue that counts ...", Conquer And Control Your Habits And Your Life.
