Diary of a Barking Mad Dog Owner ? DOLMAN Scott
Diary of a Barking Mad Dog Owner Due to his obsession with the hedgehog, Mr Mac was lead-walked in the garden first thing in the morning before the sun was quite up and as soon as it was dusk, when hedgehogs are likely to be around searching for food. how mad I was when I arrived home from work on Friday, drove toward my gate and saw this half flat, brown, spiky lump in the middle of the road. "Arrrgggghhh!" I shouted at it, "you stupid, stupid hedgehog!"
