*Sizes are estimated averages only for each category and do not match the example car given. Space and Use Your garage size will depend on the block and free space you can work with, and what you're going to use it for. If access is not a problem, you may want to consider a double or single garage in the backyard for an extra storage place. Equality is humanity's Holy Grail, the cornerstone of most value systems, but we have yet to reap all of its rewards. Sure, our society has tremendously evolved for the better during the last, say, 100 years, but a long journey is still ahead, and the vast array of double standards that still divide people to this day highlight this perfectly. 3D Test of Anti-Semitism: Demonization, Double Standards, Delegitimization - Natan Sharansky About the ADA Standards. The ADA standards are issued by the Department of Justice (DOJ) and the Department of Transportation (DOT) and apply to facilities covered by the ADA in new construction and alterations.
