Download it once and read it on your Kindle device, PC, phones or tablets. Use features like bookmarks, note taking and highlighting while reading Emily Does Day Surgery (Emily Adventures Book 1).Emily Hedley, MSM, PA-C tells us what her day to day life is like as a plastic surgery PA! Interestingly, she also has a background in dermatology as well, so she has great insight as to some things they each do differently.Emily's Adventures A look into my world, dealing with my illness, and then some. ... It hurts to put pressure on it, I can't walk very well, and my knee gives out on me atleast once a day. My knee surgery is scheduled for Nov. 18th, but more on that in a different e-mail.
