Energy Healing combines traditional talk therapy and energy healing. This energy modality accelerates healing. Long term issues such as trauma, emotions and memories become imprinted on an individual and whilst we may have a cognitive understanding of our “issues”, the energy frequency still has not been released from our bodies. The term "homeopathy" was coined by Hahnemann and first appeared in print in 1807. Hahnemann conceived of homeopathy while translating a medical treatise by the Scottish physician and chemist William Cullen into German. A medical intuitive is an alternative medicine practitioner who claims to use their self-described intuitive abilities to find the cause of a physical or emotional condition through the use of insight rather than modern medicine.
