Support Our Work. The CFE Fund is a 501(c)3 corporation; our programmatic, research, and policy efforts focus on designing, embedding and replicating financial empowerment initiatives within the fabric of local government. Abstract. The fiercely competitive twenty-first century business environment poses challenges at every turn. To remain competitive, both public and for-profit organizations must be flexible and adaptable. I am privileged to work with some truly amazing and inspiring people in the Financial Services and IT industry. My journey has brought about many challenges in my career that molded my personality and my growth. Baptiste Audren is Head of Product and Business Development of komgo after co-founding the company in 2018 with the backing of 15 major finance institutions and corporates., Envisioning Empowerment Portfolio Initiatives Development.
