

# Download Essential Tomb Dracula Marvel Essentials

No, the best Marvel villain book - both in terms of length-of-run and quality - was The Tomb of Dracula. Volume One of the Essential Tomb of Dracula contains the first 25 issues of the title along with a couple associated issues of Werewolf By Night and Giant-Size Chillers. I was surprised there was a Volume 4 of the "Essential Tomb of Dracula" because once they got to the end of the run of the Marvel comic book mostly written by Marv Wolfman and drawn by Gene Colan, I figured that was it.
