

Download Every Kid Needs Things That Fly

Written especially for the child who dreams of soaring above the clouds (or just likes to build cool stuff), Every Kid Needs Things That Fly teaches parents and kids how to get flying with hands-on projects like airplane control panels and high-flying balloons to water bottle rockets, real UFOs, and more. Written especially for the child who dreams of soaring above the clouds (or just likes to build cool stuff), Every Kid Needs Things That Fly teaches parents and kids how to get flying with hands-on projects like airplane control panels and high-flying balloons to water bottle rockets, real UFOs, and more. Every Kid Needs Things That Fly by Ritchie Kinmont. Written especially for the child who dreams of soaring above the clouds, this book shows parents and kids how to create cool airborne projects together-including a Blinking UFO to a Hot-Air Balloon and a Water-Bottle Rocket. From building a fleet of Popsicle stick airplanes to constructing a fantasy jet pack, Every Kid Needs Things That Fly gives parents and kids the tools and instructions they need to take off to where imagination is fuel and the sky is no longer the limit.
