In the context of human society, a family (from Latin: familia) is a group of people related either by consanguinity (by recognized birth), affinity (by marriage or other relationship), or co-residence (as implied by the etymology of the English word "family") [citation needed] or some combination of these. [citation needed] Members of the immediate family may include spouses, parents ...n. early 15c., "servants of a household," from Latin familia "family servants, domestics collectively, the servants in a household," thus also "members of a household, the estate, property; the household, including relatives and servants," from famulus "servant," of unknown origin. The Latin word rarely appears in the sense "parents with their children," for which domus (see domestic) was used. So for many years, I remembered a show I use to watch as a small child (I was born in 1980). For the life of me, I remembered only the theme song, the word "Family" in the title, and Kristy McNichol being in the cast. fam-i-ly (f?m??-l?, f?m?l?) n. pl. fam-i-lies 1. a.
