Use this report card writing resource when reporting on Health and Physical Education.. These report card comments have been written using the Learning Areas and Content Descriptions found in the Australian Curriculum v8.3.. Most schools have their own expectations when it comes to student reports. A report card, or just report in British English, communicates a student's performance academically. In most places, the report card is issued by the school to the student or the student's parents twice to four times yearly. A typical report card uses a grading scale to determine the quality of a student's school work.
