Waldorf education, also known as Steiner education, is based on the educational philosophy of Rudolf Steiner, the founder of Anthroposophy. Its pedagogy strives to develop pupils' intellectual, artistic, and practical skills in an integrated and holistic manner. The accredited online Certificate of Advanced Study in Integrative Addiction Therapies prepares healthcare professionals to treat patients suffering from substance use disorders within the holistic spectrum by healing the body, mind, and spirit. In this context, "healing" is more than a technical cure or fix -- it becomes part of a life journey. Spirituality is integral to whole -- or holistic -- patient care in that it helps ...
