How to Draw Manga is a series of instructional books on drawing manga published by Graphic-sha, by a variety of authors. Originally in Japanese for the Japanese market, many volumes have been translated into English and published in the United States. Several manga series have been developed based on the Haruhi Suzumiya light novels written by Nagaru Tanigawa and illustrated by Noizi Ito.. The first one, by Makoto Mizuno, ran from May to December 2004 and was considerably different from the light novels in its one published volume, having little input from the original author. Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. Rayleigh using Haoshoku Haki. Rayleigh has mastered Haoshoku Haki to the extent that he can render a specific target completely unconscious. He is able to do this without adversely affecting anybody else near the initial target.
