The International Encyclopaedia for Labour Law and Industrial Relations is designed to provide information to the international business and labour relations communities; to facilitate ...Labour law (US spelling: labor law, sometimes incorrectly conflated with employment law) is the area of law most commonly relating to the relationship between trade unions, employers and the government.. While the development of the field in different jurisdictions has resulted in different specific meanings of what is meant by labour law, it is generally used in reference to employment ...United Kingdom labour law regulates the relations between workers, employers and trade unions. People at work in the UK benefit from a minimum charter of employment rights, which are found in various Acts, Regulations, common law and equity.This includes the right to a minimum wage of £7.83 for over 25-year-olds under the National Minimum Wage Act 1998.INTRODUCTION. There is a view that the Indian Labour Legislation has vowed its commitment to the welfare of workers alone. Despite numerous legislations, the enforceability always seemed to lack in India, thus defeating the very purpose.
