Read 220 reviews from the world's largest community for readers. Let's All Be Brave is a book for me, and for almost everyone--it's another in a progression of autobiographical memoir-type reflections by highly committed Christians I've been reading, books by folks brave enough to open themselves up and be more than a bit vulnerable to a general public. Author, blogger, and speaker Annie F. Downs admits she's not exactly the bravest girl in the world. She's never jumped out of a plane, and she still cries sometimes when she leaves her parents' home in Georgia. Annie F. Downs is a bestselling author, nationally known speaker, and podcast host based in Nashville, Tennessee. Her books include Remember God, 100 Days to Brave, Looking for Lovely, and Let's All Be Brave., Lets All Be Brave Living Life With Everything You Have Kindle Edition Annie F Downs.
