NOTES The Witch has survived in quarto in the hand of Ralph Crane, a scrivener employed by the King's Players; the copy is dated some time between 1619 and 1627. From the dedication, it is traditionally believed that Middleton recovered the play from the King's Players at the Blackfriars Theater "not without much difficulty" because the play was a failure and lay in "an imprisoned obscurity." This is a collection of original songs on various themes of the holiday season, some more strongly related to it than others. "Midwinter" is an old word for winter solstice, the longest night of the year in the northern hemisphere, when the North Pole is tilted furthest away from the sun.
