

# Download Make Room For Tv : Television And The Family Ideal In Postwar America

Make Room for TV combines a powerful analysis of the growth of electronic culture with a nuanced social history of family life in postwar America, offering a provocative glimpse of the way television became the mirror of so many of America's hopes and fears and dreams. Make Room for TV combines a powerful analysis of the growth of electronic culture with a nuanced social history of family life in postwar America, offering a provocative glimpse of the way television became the mirror of so many of America's hopes and fears and dreams. Spigel's book is all about the importance of television in postwar American society. She makes several arguments for the derogation of family life as a result of its introduction into what she refers to as the 'family sphere,' but she also admits that TV made life easier for most families for things like news and national events.<sup>1</sup> In *Make Room for TV: Television and the Family Ideal in Postwar America*, Lynn Spigel presents a social history of the new medium. Like both film and radio when they originated (and, for that matter, printed books), television did not become culturally integrated without controversy over its possible benefits and dangers.
