This guide is designed to help Mastercam users re-create their Mastercam work environment – and their current jobs and parts – as quickly as possible after installing a new Mastercam release. It provides the information you need to update your work to Mastercam X5 from any previous Mastercam X version. This Mastercam X7 Transition Guide is designed to help you update your Mastercam X6 files for use in Mastercam X7. A standard installation to the default locations is assumed. If you need assistance with a non-standard installation you should contact us.
