The Bachelor of Applied Science (BASRM) is a degree that blends business courses and curricula of a Resource you wish to M. anage.. This degree is primarily designed for students that have completed sixty hours of course work and/or have an Associate or Bachelor's degree, but this is not a requirement for admission into the program. Mentors are partnered with their mentees during their four years of high school. Prior to meeting your mentee, you must consent to a criminal background check and participate in a short training webinar.
