

Download New Orleans In The Twenties

Sean Cummings brings his modern vision back home. While in his early twenties in 1987, Sean Cummings felt adrift in his career prospects, so he reluctantly returned to his native city of New Orleans. The Hilton New Orleans/St. Charles hotel, inducted in 2014 into the Historic Hotels of America, is located a few blocks from the French Quarter and the CBD. In September 2012, the LSU Health System welcomed its first colorectal surgeon, Dr. Guy Orangio. One of only 1200 colorectal surgeons in the U.S., Dr. Orangio treats colon, rectal and anal cancer, as well as inflammatory bowel disease, severe constipation, fecal incontinence and fistulas. 21st Amendment at La Louisiane. Savor a speakeasy experience without the secrecy, but plenty of cocktails and nightly live jazz. Inspired by the days of Prohibition, 21st Amendment offers an alluring menu of craft cocktails that celebrate New Orleans history and the mob bosses who once ran the La Louisiane restaurant at the same location.
