

Download Pa 28 140 Flight Manual

The Piper PA-28 Cherokee is a family of two- or four-seat light aircraft built by Piper Aircraft and designed for flight training, air taxi and personal use. The PA-28 family of aircraft comprises all-metal, unpressurized, single-engined, piston-powered airplanes with low-mounted wings and tricycle landing gear. They have a single door on the copilot side, which is entered by stepping on the wing. Just Flight's superbly detailed PA-28-181 Archer III for X-Plane 11 comes in ten paint schemes and features PBR materials with real-time environment reflections, HD textures, numerous animations and an authentic sound set.
