

# Download Parenting A Dynamic Perspective

This set of DVDs gives the viewer sneak peeks inside the homes of actual parents struggling in every-day conflicts with their young children. You get a ring-side seat as the parents are interviewed by parenting expert, Carol Lynn Morse, Ph.D., and gently guided to think out more effective resolutions to each conflict situation. Providing a forum for educating Industrial Security professionals safeguarding National Security in the Quantico Virginia Area. Reducing Maternal Mortality. A new law to help states investigate deaths from childbirth complications is a start, but experts say what is really needed is reducing C-section rates. A parenting style is a psychological construct representing standard strategies that parents use in their child rearing. The quality of parenting can be more essential than the quantity of time spent with the child. For instance, a parent can spend an entire afternoon with his or her child, yet the parent may be engaging in a different activity and not demonstrating enough interest towards the ...
