The Physicians' Desk Reference (PDR) is a commercially published compilation of manufacturers' prescribing information (package insert) on prescription drugs, updated annually. US-based MDs, DOs, NPs and PAs in full-time patient practice can register for free on PDR.net. PDR.net is to be used only as a reference aid. It is not intended to be a substitute for the exercise of professional judgment. The Physicians' Desk Reference is consulted by health care professionals millions of times each week. It is distributed to almost half a million MDs and chief pharmacists throughout the United States. In this lesson, you will learn about the content and use of the Physicians' Desk Reference (PDR), what it is, who uses it, and if its utility in modern day Nursing., Physicians Drug Reference Guide.
