Canada Shooting Supply is based out of Whitby and is your own local Canadian source for various airguns and airgun parts. We can also custom order parts for you if you do not see them listed on our website. Buddy Jason recently sent me his Beeman P17 for the spa treatment. Since I've had quite a few email queries about the P17, I thought a tear down and rebuild illustration guide might be worthwhile., Repair Crosman Co2 Pellet Gun 38c.
