

Download Repair Manual For A Chevy Camaro 1978

The second-generation Chevrolet Camaro was produced by Chevrolet from 1970 through the 1981 model years. It was introduced in the spring of 1970. Build information for model 123-12487 was released to the assembly plants in February of that same year. It was longer, lower, and wider than the first generation Camaro. A convertible body-type was no longer available. Need reliable license plate brackets for your Chevy Camaro? Choose from our top license plate brackets that offer unmatched durability and quality. The auto repair manuals described above are for late-model vehicles. If you have a classic car or truck, you might think your only recourse for finding service information is scouring swap meets and flea markets, only to find old tattered, oil stained manuals with half the pages missing. Also known as Chevy, Chevrolet is a division of General Motors that came to prominence in 1911. The brand is known worldwide and sold in most countries.
