I would like to thank Sharp for my still state of the art convection microwave oven. It was a wedding gift 31 years ago and still not a single problem. Updated January 2018 - Combination microwaves are kitchen multi-tasking appliances and they are heaven sent for those who have limited space. These appliances can bake, grill, heat and defrost a whole host of meals. Whether you are into cooking, live on reheated frozen pizza, baking cakes or simply heating soup, a combi microwave is an excellent choice.
