This item: The Art of Beatrix Potter: Sketches, Paintings, and Illustrations by Emily Zach Hardcover \$22.00 Only 19 left in stock (more on the way). Ships from and sold by Amazon.com. The Art of Beatrix Potter is a very nice collection of her art. It is quite a large book, rather like one for the coffee table. Divided into five sections, each section deals with significant places where much of her art was produced and inspired. It gives you a pretty good idea of her life by means of commentary on her art and of photographs that were taken of her, her family and various places where she lived and visited.
