Flirting is much more than just a bit of fun: it is a universal and essential aspect of human interaction.

Anthropological research shows that flirting is to be found, in some form, in all cultures and societies around the world. People assumed this man was just a janitor until he received a medal of honor as a war hero. Over the years there have been some shocking tales of secret lives; it's generally the people you'd least expect it from, too! Working.com - Canada's most comprehensive job search engine.
