

Download The Real James Herriot The Authorized Biography

Having read most of James Herriot's books I thought it would be fascinating to find out more about the real man. Well, it was and it wasn't. His dedicated son has tried to faithfully catalogue every detail he has about his dad. The problem is that most of those details are completely uninteresting and the book becomes painfully pedestrian. Every now and then a glimmer of enjoyment, but mostly a long plod. Couldn't finish it. James Alfred "Alf" Wight, aka James Herriot, wrote many books about his job as a vet, and his friends. This book, by his son, tells us about the man behind the animals, and the heartaches he had during his long life. This is a must read for any Herriot fan.
