Two Rivers (The Great Peacemaker Series), is the first book in a trilogy. A poignant page turner. It's about the formation of the Iroquois Confederacy. I don't want to go into any spoilers. Her intriguing characters come alive: some fictional some real. You will be biting your nails to read what will transpire next. Quite the interesting historical read, I highly recommend you read the complete series. Two Rivers (The Great Peacemaker Series, book 1) by Zoe Saadia Having read and loved all five books in the Rise of the Aztec Series, I wanted to read more books by Zoe Saadia, which led me to her new book, "Two Rivers".
